

## Terms and Conditions for TFSA Power Savings account Promotional Campaign

The offer period begins from January 27, 2020 and continues until April 30, 2020. It is applicable on new and existing accounts with respective minimum new deposit made during the offer period. The promotional interest will be applicable on eligible TFSA Power Savings account until July 31, 2020.

### Eligibility and terms of the offer

1. **New TFSA Power Savings Account** must be opened during the offer period with minimum balance of \$1000. This account will be eligible to earn promotional interest +0.75% in additional to the standard interest rate, from the account opening date until July 31, 2020.  
For example: If the published standard interest rate is 1%, you will get 1.75% until July 31, 2020.
2. **Existing TFSA Power Savings Account** opened before the offer period can get the promotional interest +0.75% in additional to the published standard interest rate, if the minimum new deposit of \$3000 is made in the TFSA power Savings Account during the Offer Period.  
For example: If the standard interest rate is 1% and you have \$4000 in the account, you will get 1.75% for the overall balance in the account until July 31, 2020, if you deposit \$3000 during campaign period.
3. All the other conditions of the product remain the same. Please consult the following link for full details of TFSA account: <https://ca.statebank/tfsa>

### Promotional and Standard Interest

The standard interest is calculated on daily closing balance in the account and paid monthly. The promotional interest is calculated on daily closing balance in the account and paid monthly until July 31, 2020.

Promotional and standard interest rates may change at any time without prior notice.

Refer to <https://ca.statebank/interest-rates> to be informed about current published interest rates.

### Restrictions

This offer is restricted only for SBIC retail account holders.
